2020 marks the 4th year of the Women in Technology Awards and the Technology Council of Central Pennsylvania’s continued commitment to celebrating women who are innovators, role models, trailblazers and inspirations within the technology community throughout our region. In addition to the Women In Technology Awards, the Technology Council of Central Pennsylvania offers a variety of Women In Technology initiatives that strive to create an inclusive and level playing field regardless of gender within the technology industry. More information about Women In Technology initiatives can be found at www.tccp.org/wit

The Technology Council of Central Pennsylvania connects members and organizations to promote technology and fuel economic development. Established in 1990, the Technology Council of Central Pennsylvania has assisted technology companies and individuals throughout Central Pennsylvania grow and succeed by building partnerships, offering business development opportunities, playing a key role in attracting and retaining diverse talent, providing technology leadership and recognizing innovators, More information about the Technology Council of Central Pennsylvania can be found at www.tccp.org
