TECHNOLOGY COUNCIL
OF CENTRAL PENNSYLVANIA

WOMEN IN TECH MENTORING PROGRAM

ABOUT THE PROGRAM

2023 - 2024 marks the 3rd year of the Technology Council of Central PA (TCCP)'s Women In Tech Mentoring program. A 7-month program that matches TCCP members currently working in tech with undergrad students majoring in a technology-related discipline.

PROGRAM HIGHLIGHTS

- 1-on-1 match with a Mentor working in Tech
- Monthly virtual Mentor Group discussions
- Begins with Kick-Off on Tuesday, 10/17/2023
- Ending in-person luncheon on Saturday, 4/6/2024
- Great opportunity to expand your network

SELECTION PROCESS

Interested students must apply by Monday, 9/11/2023 at 12pm EST. Space is limited. While there is no fee to participate, applicants must be committed to participate in the full 7-month program.
