

# TECHNOLOGY COUNCIL OF CENTRAL PENNSYLVANIA

## OFFERING A MEMBERSHIP EXPERIENCE LIKE NO OTHER IN THE REGION

Since 1996, the Technology Council of Central Pennsylvania has been offering a membership experience like no other in the region. By connecting technologists throughout Central PA with opportunities to learn, innovate and collaborate, our programs, events and priorities continue to reflect the needs and opportunities that exist while maintaining our commitment to our members and the broader Central PA tech community.

### MEMBERSHIP BENEFITS AT A GLANCE

#### All TCCP memberships include:

**Free Access** to virtual programs like our Technology Roundtables, TechTalks, Women In Tech Quarterlies, Peer Learning Groups and more.

**Discounted Access** to virtual and in-person events like our Diversity, Equity & Inclusion in Tech Summit, Central PA Innovate!, quarterly TechNets and Women In Tech Awards.

**Business Development Opportunities** via participation in discussion groups, workforce development-themed working groups, specific event planning committees and other member only programs and events.

**Tech Advocacy Efforts** at a national, regional and state level thanks in part to our partnership with the Technology Councils of North America (TECNA)

#### TCCP Corporate memberships include:

##### Exclusive Member Only Services

**Public Directory Listing** on [www.tccp.org](http://www.tccp.org)

**Internal Directory Listing** within TCCP member-only online portal

**Promotion of Job Openings** on TCCP TechJobs webpage

**Discounted TCCP Sponsorship Opportunities**

**Business Referrals**

#### TCCP Investor memberships include:

All the benefits of a TCCP Corporate Membership **PLUS**

**Unlimited number of employees** on TCCP membership

**Additional recognitions** based on Investor level as a TCCP sponsor
