

POWER IN TECH POWER IN US 2027

Power in Tech, Power in Us 2027 returns as a dynamic gathering of leaders, thinkers, and doers from across Central PA's tech ecosystem. Together, we'll explore how we navigate change, unlock potential, and ensure that innovation is shaped by people, not just platforms. Through engaging discussions, expert panels, and shared experiences, we'll examine how individuals and organizations can adapt, grow, and lead in an increasingly complex and connected world.
